February 2020 Newsletter

Incorporating the villages, hamlets and communities of:

Burton Hastings – Copston Magna – Wolvey – Wibtoft – Shilton – Barnacle – Withybrook – Willey – Monks Kirby – Ansty – Pailton – Stretton-under-Fosse – Brinklow – Combe Fields - Easenhall – Harborough Magna – Churchover – Coton Park – Clifton-upon-Dunsmore and Newton - Houlton

In this months' edition.....

- *What your local team has been up to
- *Local and force news and appeals
- *Crime/Incident information for the area
- *Latest community priorities
- *How to contact your local police

Based at Rugby Police Station, the Rugby Rural North Safer Neighbourhood Team focus on providing a dedicated support and resolution role, working with partner agencies and individuals within the community to identify and solve concerns that affect their locality.

Our policing area has strategic road links with the M6, A5 and M69 passing through. Local officers, with support tackle the criminals that travel those routes with a view to making communities safer from the threat of harm. The area is mostly made up of rural and village communities which bring their own unique demands.

We focus work around high risk and prolific offenders and our Neighbourhood Teams will:

- Engage with communities and partners to innovate, identify opportunities and create sustainable solutions to local problems.
- Work with partners and communities to tackle the harm caused by crime and anti-social behaviour.
 - Be visible, accessible and accountable to local communities.
 - Engage with the Community Forum process and address priority concerns.
- Seek to identify those at most risk of harm and support them through appropriate interventions.
- Engage with young people and deliver prevention and early intervention activities in partnership with local schools.

Your local policing team

Inspector 1784 Sally Bunyard-Spiers

Sergeant 0948 Sarah Masters – SNT Sergeant for Rugby Town West and Rural

Police Constable 1350 Rachael Smith – Rugby Rural North

PCSO 6152 Sharon Bailie-Crabtree – Rugby Rural North

PCSO 6348 Ben Avery – Rugby Rural North

Carol Cotterill – Rural Crime Officer,

Covering the North Warwickshire District including Nuneaton, Bedworth and Rugby.

Warwickshire Rural Watch
Closing the gate on rural crime

Introduction

Welcome to the February issue of the Rugby Rural North Newsletter.

We are pleased to announce that Ben will be introducing new Mobile Police Station visits to The villages of Barnacle, Shilton and Pailton.

Sharon will be adding new visits to the villages of Easenhall, Churchover and Houlton.

All the new dates and times will be further in the newsletter and village notice boards will be updated in the coming weeks.

Please can we remind you to use the service or we may change your location to another village.

Crime/Incident Overview

Monks Kirby – Brockhurst Lane, by the village hall from 11:45am till 12:45pm

Pailton – Coventry Road, opposite the dentist 2:00pm till 3:00pm

Brinklow – Broad Street by the village hall from 3:15pm till 4:15pm

Rugby Free School visit

Ben visits Rugby Free School on the 5th February to complete a school talk with PCSO Galloway about personal safety and how the police can help you.

Sharon has been trained as one of the new Wildlife Officers in Warwickshire

Following a recent National Wildlife Officers course, Warwickshire Police now has an additional 11 new trained Wildlife Officers within the force.

This means there are now 24 trained officers across the county, including officers in our Safer Neighbourhood and Rural Crime teams.

During the week long course, the officers covered all aspects of wildlife crime with input from specialists from around the UK and different wildlife groups.

The officers will also be provided with special kit to fulfil their roles.

This investment is part of Warwickshire Police's ongoing commitment to dealing with rural and wildlife crime in the county.

Rachael has completed training in an Heritage Crime Training Event

Last week five Warwickshire Police officers joined sixty colleagues from seven other forces in England to be trained as Heritage Crime Officers.

The training, delivered by Mark Harrison, Head of Heritage Crime Strategy at Historic England, covered all aspects of heritage crime including illegal metal detecting, theft of lead and other metals, crimes against monuments, buildings, artefacts and sites of special historic interest, plus much more.

Sgt Bob Shaw, PC Rachael Smith, PC Craig Purcell, PCSO Ed King and Rural Crime Officer Carol Cotterill are now trained Rural, Wildlife and Heritage Crime Officers. Further training for more officers in the force is being arranged for later in the year with Historic England.

The ongoing training of our officers is part of the commitment Warwickshire Police has in addressing rural, wildlife and heritage crime within our county.

Trading Standards warn homeowners about rogue traders following Storm Ciara

Warwickshire County Council Trading Standards is warning residents to beware of rogue traders taking advantage of damaged roofs, fences and fallen trees after Storm Ciara blew through Warwickshire and Storm Dennis expected to bring further high winds.

Rogue traders can appear both charming and extremely plausible on the doorstep, but their work is of a poor quality and sometimes they will take money for materials and simply disappear. They may quote low prices, but they will soon demand more money and very often the work they claim needs doing is completely unnecessary.

Trading Standards are also warning residents to beware of rogue roofers going door to door, falsely claiming to work for 'the council'. Residents have reported receiving knocks on their doors from rogue traders saying their chimneys were on the verge of collapsing if something was not done.

Warwickshire County Councillor Andy Crump, Portfolio Holder for Community Safety said:

“It can be tempting to employ the first person who comes to your door offering to fix that broken fence or loose roof tile. However, it can be hard to tell a good trader from a rogue on the doorstep, so Trading Standards are advising residents not to buy at the door and instead seek a range of quotes from reputable traders.”

Top tips to avoid rogue traders:

- Don't buy from unexpected doorstep callers
- Go on recommendation and use traders that family or friends have been happy with. If that's not possible, consider using a Trading Standards vetted and approved trader. Visit: www.warwickshire.gov.uk/approvedtraders
- If your home has experienced structural damage you need a qualified surveyor to tell you what the actual damage is, never rely on the word of a builder alone
- Ensure the business has a genuine address – find out how long they have been there for. If necessary 'Google' it. If you find lots of businesses at the same address, that can be a warning sign
- Ask to see examples of their work and verify it with the householder
- Get everything written down – don't rely on spoken agreements
- Be wary of any trader who can start work quickly or straight away. You can expect to wait several months for a good builder to start work
- Don't buy from the first trader who comes to your door or be rushed in to making a quick decision – seek quotes from reputable traders

Report a rogue trader and more information:

- To report a rogue trader operating in your area or to make a complaint contact Warwickshire Trading Standards via their frontline consumer advice service, the Citizens Advice Consumer Service on 0808 223 1133.
- Looking for a Trading Standards vetted and approved trader? Visit: www.warwickshire.gov.uk/approvedtraders
- For more information on rogue traders or to subscribe to our scams/rogue trader email alert system, visit: www.warwickshire.gov.uk/tradingstandards

Warwickshire Police announce results of anti speeding campaign

Over 5,000 people have been caught for speeding offences in Warwickshire during just two weeks of a month long operation aimed at reducing speeding in the county.

Speeding has a direct link to the number of people killed or seriously injured on the county's roads and the first phase of the campaign urged speeding motorists to slow down and obey speed limits by providing statistics and information to encourage them to change their behaviour. [Click here for media release](#)

This was followed by a two week enforcement period to catch those that continue to speed on Warwickshire's roads.

During the two week's from 20 January 2020 to 02 February 2020, the speed of vehicles was checked by officers, including the Special Constabulary, PCSOs and Warwickshire's many community speed watch volunteers.

The results are as follows:-

In excess of 2800 vehicles' speeds were checked in 78 separate speed checks

193 drivers were warned about their speed at the roadside or by letter following Community Speed Watch deployment.

39 drivers were reported via a Traffic Offence Report for speeding and will receive a letter in the post.

One driver was arrested on suspicion of drink driving.

In Warwickshire mobile and static cameras are also used and the following speeding offences were recorded during the two week enforcement period:-

168 speeding offences were recorded by our mobile speed camera vans

1,768 speeding offences were recorded by our static spot speed cameras

2,270 speeding offences were recorded on our Motorway Roadworks Enforcement Average Speed cameras (yellow cameras).

1,023 speeding offences were recorded by the overhead gantry HADECS Motorway Variable Speed Cameras.

In total 5,229 speeding offences were recorded by cameras in the two week enforcement period.

Inspector Kirsty Clough said "It is disappointing that over 5,000 people were still caught speeding as they drove through Warwickshire during the two week enforcement period despite the campaign to educate drivers around the dangers of speeding during the preceding seven days."

“Speed is one of the four biggest dangers whilst driving, called ‘the fatal 4’ and the difference of a few miles per hour can be the difference between life and death. It is hard to understand why so many people continue to put their own life and the lives of others at risk by speeding on Warwickshire’s roads.”

In Warwickshire, between 1 January 2017 and 31 December 2019, 91 people were killed and 659 seriously injured in collisions where speed or loss of control was recorded as a contributory factor.

Inspector Clough continued “We are asking people to slow down and drive at a speed that is appropriate to the road environment and conditions. Speed limits are there to protect the public and are a maximum not a target.”

“The police seek to educate the driver to change their behaviour and for some of those drivers caught speeding during those two weeks, speed awareness courses will be offered to enhance this learning process.”

Warwickshire Police is working closely with partners including Warwickshire Fire & Rescue Service, West Midlands Ambulance Service, Warwickshire County Council, Highways England, and national campaigners including BRAKE to reduce the number of people killed or seriously injured on the county’s roads.

What will happen if I’m caught speeding?

Speeding drivers who are eligible for and accept a conditional offer of a fixed penalty receive 3 penalty points and £100 fine. Fines are collected by Her Majesty’s Courts & Tribunal Service and go directly to the Treasury.

Excessive high speed offences will not get a conditional offer and will be prosecuted via the courts.

You could be disqualified from driving if you build up 12 or more penalty points within a period of 3 years. New drivers who receive 6 or more penalty points within the first two years of driving will have their license revoked.

Those drivers who admit the offence of speeding and are eligible may be offered the opportunity to attend a speed awareness course on the effects and dangers of speeding as an alternative to a speeding fine and penalty points.

The course aims to influence the attitudes and behaviour of drivers by directly challenging attitudes towards speeding, offering motorists’ insight, awareness and understanding about their speed choices, and helps equip participants to change their behavior.

The course is not a way to consistently avoid fines however, you can only attend one speed awareness course every three years.

Warwickshire Police also offer a National Motorway Awareness Course and if this is offered only one can be attended every three years.

Speed check examples:-

Kingsbury: On Friday 31 January, a speed check was conducted on Coventry Road, Kingsbury. This location was chosen at the request of local residents. In the space of 30

minutes, 20 vehicles were found to be exceeding the speed allowed and all received Traffic Offence Reports. Speeds ranged from 37-45mph.

Bedworth: On Tuesday 21 January PCSOs attended St Michael's Primary School in Bedworth at school pick up time to monitor the speed of cars and the position of parking. They identified some wrongly parked vehicles and slowed a few down. Five Traffic Offence Reports were issued.

Leamington: On Saturday 1 February speed checks were carried out on Rugby Road, Cubbington (near the junction with Broadway). Two vehicles were reported for driving in excess of the 30mph limit.

Kenilworth: On Monday 20 January, officers carried out speed checks for three hours at Warwick RW and Kenilworth (Chadwick End, Shrewley Common, Lapworth, Glasshouse Lane, Kenilworth). Nine vehicles were found to be exceeding the speed limit and received Traffic Offence Reports. One vehicle was stopped and driver spoken to.

Kineton: On Saturday 1 February, the special constabulary conducted speed checks in Banbury Road, Kineton and B4100 Gaydon. One driver received a Traffic Offence Report for excess speed of 42mph in a 30mph zone.

Burton Green: On 1 February, speed checks were carried out in Cromwell Lane, Burton Green and five Traffic Offence Reports made for driving in excess of the 30mph limit. The fastest recorded was 47mph in a 30mph zone.

Motorways: On Friday 17 January, OPU Officers stopped an Audi speeding on the M69 at 92mph and a Landrover Freelander travelling at 91mph. Both received Traffic Offence Reports. On 27 January a vehicle was caught speeding at 100mph on the M69.

Speed checks were also carried out in Warwick, Dordon, Nuneaton, Ansley village & common, Coleshill, Bulkington, Stratford-upon-Avon, Wellesbourne, rural villages around Shipston on Stour, Ettington, Southam, Lapworth, Ilmington, Whatcote, Treddington, Baxterley, Earlswood, Ullenhall, Pailton, Hillmorton, Rugby, Brinklow, Halford, Loxley, Newbold on Stour, Stretton on Fosse, Wolvey, Polesworth, Newton Regis, Nether Whitacre, Hartshill, Ansley Common, Great Alne, Wootton Wawen and Shuttington.
