

Section 3 – External Auditor Report and Certificate 2021/22

In respect of **Newton and Biggin Parish Council– WA0142**

1 Respective responsibilities of the body and the auditor

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/> .

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with Proper Practices which:

- summarises the accounting records for the year ended 31 March 2022; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor report 2021/22

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Section 1, Assertion 5 has been incorrectly completed. While the smaller authority has demonstrated through its internal controls policy and financial procedures that there are risk management procedures in place, there was no formal review and approval of risk assessment by full Council during the year under review. Therefore, the answer to this assertion should have been 'No'.

Other matters not affecting our opinion which we draw to the attention of the authority:

In the completion of their detailed report, the internal auditor has drawn attention to some weaknesses in relation to payment authorisation, risk assessment, budget paperwork and the trust fund in respect of the Village Hall. We understand that the smaller authority is addressing these weaknesses and must ensure that this is done in a timely manner.

3 External auditor certificate 2021/22

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2022.
