

## GRANTS AVAILABLE

The Elkington Cockerill and Sherrier Trust was established many years ago to provide help and support to residents of the villages of Newton and Shawell.

The charity, whilst small, still continues today with the aim of providing assistance to villagers.

The trustees are now inviting enquiries and applications for grants. Previous grants have included but are not limited to-

- Help with education (books, uniform, trips etc) -
- House repairs -
- Gardening or ground maintenance -
- Payments to help with a particular need -
- Support during times of need -

All requests for grants will be dealt with on an individual and strictly confidential basis. For more information please email the Clerk to the charity on [ecsacharity@outlook.com](mailto:ecsacharity@outlook.com) or contact one of your village trustees-
