

Section 3 - External Auditor Report and Certificate 2022/23

In respect of **Newton and Biggin Parish Council**

1 Respective responsibilities of the body and the auditor

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it does not provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2023; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

2 External auditor report 2022/23

Except for the matters reported below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

It was noted on review that the announcement of the Period for Public Rights was the same date as the approval of Section 2 of the Annual Governance and Accountability Return. Regulation 12 – 15 of the Accounts and Audit Regulations 2015 set out the order required to be followed when approving, announcing and publishing the Return and related documents in order to satisfy the Public Rights requirements. The Return must be approved prior to the Notice being published. To be able to demonstrate this, proper practice requires that the Notice is published no sooner than the day following the approval meeting and the Public Rights period commences no sooner than the next working day after that.

We identified during our review of the Annual Governance and Accountability Return that box 1 of the prior year (2021-22) on Section 2 - Accounting Statements was restated. The comparative column has not been marked as 'Restated' to bring it to the attention of the reader, which is a breach of proper practices and as a result a 'No' response should have been provided at assertion 3 on the 2022-23 Governance Statement. As the figures for the 2023 year are correctly stated bar the trivial rounding issue noted in the other matters section, we do not believe this should impact the 2023-24 return.

Other matters not affecting our opinion which we draw to the attention of the authority:

There is a trivial rounding error in last year's column when summed, which affects this year's balance b/fwd. When rounding the numbers for the Return care should be taken to ensure the Return sums correctly.

There is a trivial rounding error in this year's column when summed, caused by the issues noted above regarding the balance b/fwd. When rounding the numbers for the Return care should be taken to ensure the Return sums correctly.
